### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Peter Martine (32,043) on July 2, 2007.

The application has been amended as follows:

Please amend claim 1 as follows:

1. (Currently Amended): An image processing method...correction exposure amount is increased; ~~and~~

adjusting a brightness value and a contrast of said image data ~~stored on a memory device~~ by applying said modified brightness correction amount and contrast correction amount; and

outputting an image based on said brightness value-adjusted and contrast-adjusted image data.

Please cancel claim 10.

2. The following is an examiner's statement of reasons for allowance:

In regard to claims 1-9 and 11-20, the prior art does not disclose an image processing method, an image processing advice, or a computer readable medium with the

combination of limitations specified in the claimed invention, specifically the limitations of:

modifying said brightness value correction amount to be smaller as said exposure correction amount is increased;

in a case where said exposure correction amount is a positive correction amount, modifying said contrast correction amount in a way to reduce said contrast correction amount as said exposure correction amount is increased;

adjusting a brightness value of said image data by applying said modified bright value correction, amount, as well as adjusting a contrast of said image data by applying said modified contrast correction amount, as stated in claims 1, 11, 12, 13, 15, 17, 19, and 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
